I think that before giving up our claim for the arrears, a final attempt may be made by sending a copy of the letter of Messrs K. B. Ghosh & Co (Dated 27.4.37) to the present Solicitor for S.C. Dear Sirs,

I am writing this letter on behalf of the Government of Mysore. The Government is interested in the cas regarding the estate of the late Prince Sir Gulam Mahommad, K. C. S. I., son of Tippu Sultan, as according to his will the Government have to get Rs.500/- a year for the expenses of Urus etc., at the Gumbaz at Seringapatam. They have now to get over Rs.4,000/- from the estate as the Mutawalli Mr. Gulam Hussain Sha has been in arrears for over eight - years and has failed to pay the same though he took time - several times to make the payment. The Government of Mysor are contemplating to take action against him the Mutawalli and the Estate for recovery of the above amount.

In the meanwhile, I noticed from some daily papers, (c.f. The "Statesman" dated 29-2-1936 and the "Hindu" of the same date) that a suit under section 92, Civil Procedure Cod is going on in the High Court of Calcutta in connection with this Estate and that you are acting for the Plaintiffs who want the removal of the present Mutawalli and a proper admin tration of the Trust. I should like to know if you can - take up the matter on behalf of the Government of Mysore for recovery of the aforesaid amount and the nature of the proceedings you would advise. You may also kindly let me know if the proceedings there have terminated and if so how? On hearing from you, I shall place the matter before the Goverr ment and obtain their orders. You may also mention approxi mately what the expenses will be.

I shall be thankful for an early reply. --

Please excuse trouble.

SIR,

Being given to understand that you have been recently appointed Receiver and ad-interim Mutwalli of the Wakf Estate of Prince Gulam Mohammad, I am instructed by the Government of Mysore, to write to you as follows:-

That according to the Wakf-nama of Prince Gulam Mohammad, K.C.S.I., son of Tippu Sultan, a sum of Rs.500/- is payable annually for the annual Fataha and for alms etc., during the perfomance of the Urus of Tippu Sultan and of Nawab Hyder Ali Khan Bahadur, at the Gumbaz at Seringapatam.

That the amount was being paid to the Mysore Government till 1926 and that the Mutwallies who were managing the properties have failed to pay the same from the year 1927 in spite of repeated reminders.

That as you are now understood to be in possession of the properties referred to in the Wakf-nama and that as the sum above referred to is a legal charge on the same, the Government of Mysore is entitled to recover the same from the Estate.

That several letters were written to Mr. Gulam Hussain Sha Sahib, Tolly Gunge, Calcutta, who was the previous Mutwalli, and to his Solicitor Mr. J. K. Sarkar, and although according to his Solicitor's reply, the amount was promised to be paid early, it has not been paid so far.

I am, therefore, instructed to request you to pay to the Government of Mysore the arrears due from 1927 up to this date and make the annual payments hereafter regularly. I trust you will kindly give your prompt attention to this matter. as otherwise the Government of Mysore will be obliged to put the matter in a Court of Law.

"Dear Sir,

Your letter No. 720 of the 16th instant; We must apologise for not replying to your letter of the - 12th January last earlier. Our difficulty is that being the Solicitors of the Wakf Estate it is difficult for us to advice your clients who are the creditors of the Wakf Estate. We would, however, request you to consider if it is possible for your clients to give up the arrears of maintenance and if it is so possible we would advise you to write to the Receiver Mr. M. A. Davar accordingly so - that the Receiver may in accordance with the directions of the learned Judge pay you the amount due for the current year as well as all future expenses.

If it is not possible you should point out to the Receiver why it is not possible and ask him to place be- for the Judge your papers for further consideration.

You may, of course, always prove your claim as a creditor but this should be attempted whn all chances of amicable settlement have failed.

Yours faithfully,

Sd/- K. B. GHOSE & Co.,".

Dear Sir,

Under instructions from the Government of Mysore, I write this letter to request your kindness for taking up the engagement on their behalf, for the recovery of the - amount due under the Deed of Wakf executed by the late Prince Gulam Mohammad, K.C.S.I., in pursuance of the terms of which the Estate owes money from the year 1926 up to date.

2. In this connection I have to invite your kind attention that Messrs. K. B. Ghose & Co., Solicitors, 6: Old Post Office Street, Calcutta, were in charge of this matter for some time. It appears from the correspondence with my office that the learned Judge of the High Court at Calcutta threw out a suggestion that the arrears of the amount might be waived in view of the financial stringency in which the Estate was placed. To that suggestion the Government of Mysore are not agreeable since certain - important ceremonies for which those sums were denoted - entailed considerable amount of expenditure. The said firm of Solicitors could not act further in the matter - because they were the Solicitors for the Estate also.

3. In these circumstances I was asked to - entrust the engagement to you on behalf of Government of Mysore and in pursuance of their instructions I request you to take up the matter in hand and do all that is necessary to realize the entire sum due from the Potato Union is now in the hands of the Receiver Mr. H. Re: Amount due from the Wakf Estate of the late Prince Gulam Mahomed, K.C.S.I., towards the expenses of the Urus at the Gumbuz at Seringapatam.

I am in receipt of your letter No.G/506 dated the 10th December 1937, on the above subject.

There is an annual contribution of Rs.500/-. Rs.200/- of which go for Nawab Hyder Ali Khan's Urus and the balance Rs.300/- to his son Tippu Sultan's Urus. Rs.300/- in all are being utilized for general feeding on the appointed Urus days and the balance of Rs.200/- for distribution of cloths amongst the poor.

The arrears due if paid, will be utilized for the repairs and improvements of the historical monuments of Gumbuz where the remains of these great Rulers are deposited. You may be aware that this Gumbuz attracts visitors from all over the world on account of not merely their historical and religious associations but also on account of their great architectural value. These buildings stand in urgent need of repairs and the money I need hardly assure you will be very well utilized when it is expended for that purpose.

I should be thankful if you will kindly make the necessary representation to the learned Judge and recover the arrears as early as possible.

Dear Mr. Davar,

Re: Wakf of late Prince Gholam Mohammed.

With reference to the annual sum payable to the Mysore Government for the fatehas of Tippu Sultan and Nawab Hyder Ali Khan, I can appreciate the point of view of the Mysore Government, expressed through Mr. Sushil Sen.

On the other hand, having regard to the present condition of the funds, it is not possible, without - again incurring debts, to pay the whole amount due and, personally speaking, this is a course which I am not - prepared to take.

I had hoped that the matter could be arranged on the basis of regular payments from 1936 inclusive onwards. If this is impossible, I make the following suggestions for you to put before Mr. Sushil Sen, to which I hope his clients may be able to agree :-

Payment immediately of the sum for 1938;

Payment for the two previous years by instalments;

The arrears for years prior to those to be - considered when the Wakf is in a better - position.

Yours sincerely,

SD/- AMEER ALI.

work having to be done in the Court of which the Receiver is an Officer, as, for example, arguing a point regarding the directions which any other person interested in the distribution of the assets of the Estate may wish to get from the Court or from the Receiver. We may have to approach the Solicitor if an occasion of the kind should arise and a person like the Solicitor to the Govt. of India who is giving us assistance now, will be the best one. I do not know whether the Govt. will be pleased to approve of the course of soliciting his services after a break in the middle.

3. I should request the kind leave of the Government to mention that the occasion for the Solicitor to make Bills for large amounts may not occur hereafter except perhaps forwarding the cheque to the Govt. and their receipt to the Receiver for which he may charge a few rupees per month. So far as this particular Solicitor is concerned, I do not believe his charges are heavier than those that will be

be made by his colleagues in the profession, as I believe the Bills are all regulated by the - rules in force for the time being.

Subject:- Regarding the amount due from the Wakf Estate of the late Prince Gulam Mahomed.

With reference to your letter No. P.4159 dated the 10th February 1941 on the above subject, I have the honor to state that the suggestion in the letter under advertance viz., whether the position of the above wakf has not improved since the year 1938 and if the question of recovery of arrears of contribution for years prior to 1936 may not be taken up for consideration now, does not involve any legal point and the volume of correspondence will be minimised by the Receiver being written to direct by you. I may add that that the engagement with the Solicitor was -- terminated by me in pursuance of General Secretary's letter No.643/ Muz. 71-40-7 dated 26-9-1940, and this is an additional reason for the above proposal of mine.
